Yudhisthira . . . The Man Who Would Not Be God

by Santosh Kumar Chakraborty

Yudhisthira was Pandu's eldest son and by right should have been the heir. He was considered a person who always abided by the established code of law. Yudhisthira was a man, he cannot be God and the author says that he need not be called an atheist. The grace of the gods is the fruit of our gifts.

Yudhisthira The Man Who Would Not Be God

Yudhisthira is the son of Pandu, who was the king of Hastinapura. When Pandu was exiled for 13 years, Yudhisthira was the only one who remained in Hastinapura to take care of his sick mother. Yudhisthira was the only one who remained in Hastinapura to take care of his sick mother. Yudhisthira is considered a person who always abided by the established code of law.

Rama, the ultimate man

Yudhisthira was Pandu's eldest son and by right should have been the heir to the kingdom. He was considered a person who always abided by the established code of law. Yudhisthira was a man, he cannot be God and the author says that he need not be called an atheist. The grace of the gods is the fruit of our gifts.
